

Join two professional photographers on an adventure into Tasmania's iconic wilderness

Single day workshops & all inclusive 5 day tours
conducted by 2 professional photographers

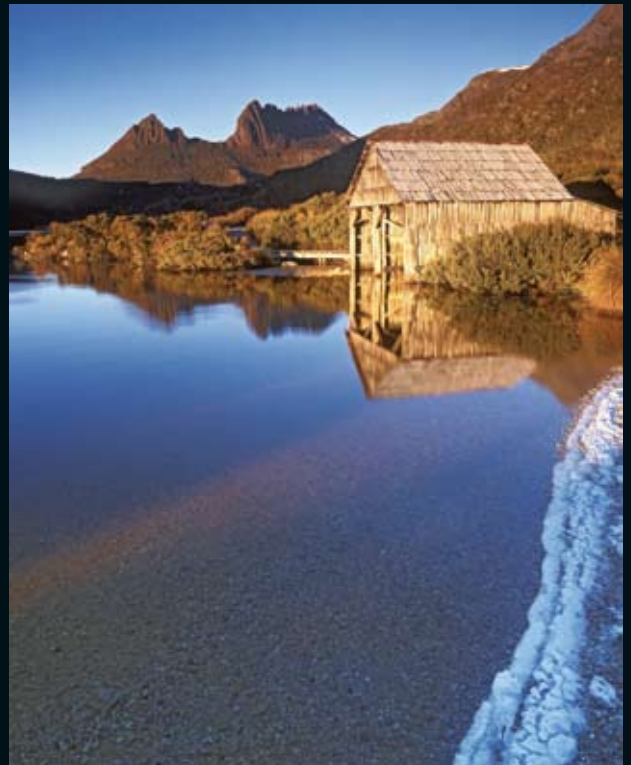

One Day Photo Workshops:

Join us for a day of photographic exploration, fun and learning around Cradle Mountain.

- lead by 2 professional landscape photographers
- set in the magnificent surroundings of Cradle Mountain National Park
- includes a guided tour of the Wilderness Gallery
- includes lunch at the Cradle Mountain Chateau
- learn the foundations of good landscape photography

Five Day Photo Workshop:

- alternate field trips with classroom tuition
- in addition to traditional photography, subjects include:
 - how to publish your own book
 - web design for photographers
 - digital workflow (inc. colour management)
 - panoramic shooting & stitching
- opportunity to be represented by The Wilderness Gallery, Australia's largest privately owned photographic gallery
- improve your photography in the surrounds of Tasmania's most iconic National Park and in the luxury of the Cradle Mountain Chateau
